

Paper Crafting Club

Hosted by Mr. Taylor

The paper Crafting Club is designed for students in 4th through 8th grades who wish to explore a few different ways that paper can be used to create art. We will meet each Wednesday after school, from 3:30 until 4:15, and try such projects as:

Origami	Kirigami	Papercraft Modeling
		

Starting March 3rd, and running eight weeks to April 28th (off once for Spring Break), we will try a variety of these crafts, from beginner to more moderate levels as we progress. Space is limited to the first 15 students to sign up. A fee of \$5.00 is necessary to cover the costs for paper and supplies, with checks made out to PRA.
